Dear Sir / Madam,

**Sub: Outcome of Board Meeting held on 04<sup>th</sup> January, 2024.**

In continuation of our letter dated January 01<sup>st</sup> 2024, pursuant to regulation 33 read with Regulation 30 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, we hereby inform you that the Board of Directors of the Company in its meeting held on 04th January 2024, inter alia considered and approved the following;

We are introducing new tools and spare of Machinery at wide range of product which will be used in brass item for better quality and automation and also we are ensuring that our new products are made of superior quality raw material and to nurture quality at all the levels, we adopt several quality control procedures of international standards. We follow stringent quality control checks from procurement to delivery. Every process is strictly monitored and every product is subject to the most stringent tests before reaching to the customers.

**Management Comment:**

Commenting on this development, Mr. Hitesh Dudhagara, Managing Director of Sprayking said:

"We at Sprayking Agro Equipment Limited are excited to announce the introduction of new tools and spare parts for our machinery, marking a significant step towards enhancing the overall quality and automation in our brass item production. This strategic move underscores our commitment to delivering superior products to our customers. By incorporating advanced technology and expanding our product range, we aim to elevate the efficiency and precision of our manufacturing processes.

At Sprayking Agro Equipment Limited, quality is our top priority, and we are proud to affirm our dedication to excellence. The incorporation of these new tools and spare parts is a testament to our ongoing efforts to raise the bar in the brass item industry. Our emphasis on utilizing high-quality raw materials underscores our commitment to producing products that not only meet but exceed customer expectations.

In line with our commitment to quality assurance, we have implemented rigorous quality control procedures that adhere to international standards. From the initial procurement of raw materials to the final delivery of our products, every step of the process is meticulously monitored. Our stringent quality control checks serve as a guarantee that each product undergoes thorough testing before it reaches our
